THURSDAY, NOVEMBER 2

ANSWER MR. HUGILL.

Ex-City Commissioner Jos. Hugill, one of the best-known Republicans in Summit county, gave his reasons in Tuesday's DEMOCRAT why he had decided to work and vote against the re-election of Probate Judge G. M. Anderson.

It was not to be expected that Mr. Dobson's paper would attempt to reply to any of Mr. Hugill's accusations, but it was expected that in consideration of Mr. Hugill's life time of service in behalf of the Republican party, and his high standing in the social and business circles of the community, he would be fortified against a malignant personal attack-so common to the era of Dobsonian journalism in Summit

What was the surprise of Mr Hugill's friends, therefore, to read a abusing him. labored article in last night's Beacon stating among other things that Mr. Hugill was a "disappointed office seeker," that he had tried to "be-"throw dust into the eyes of the voters!"

The indictment which Mr. Hugill brought against Judge Anderson in behalf of the citizens of Akron can no more be answered by Judge Anderson's newspaper friend and advocate than can Summit county's high salaried Republican officials explain to the people why they defeated the bill that would have saved the tax-payers of Summit county \$30,000 a year in the form of exorbitant fees and salaries.

And so, being unable to answer his arguments. Judge Anderson's supporters and the Dobson paper are trying to read Mr. Hugill out of the lican party.

A CLEAR CUT ISSUE.

The local election next Tuesday anything to say about Republican will determine whether or not the policies in this campaign is declining people of Summit county are going

to tolerate such dishonorable methods as have been used by the local Republican Machine to defeat the expressed wishes of the people in reference to the Russell Salary bill.

If you believe that the officials of Summit county are underpaid; that guson, mother of Policeman Ferthey did the right thing when they guson, who has been blind for some contributed money to a corruption fund and sent a lobby to Columbus to defeat the Russell Salary bill; that officials who, like Senator Alexander and Representatives Kempel DR. G. W. TUCKER, AKRON, O. and Russell, were acting in antagonism to the public interests when they tried to save the people of Akron and Summit county \$30,000 a year in the form of exorbitant fees and salaries paid to their county officials-then you should work and vote for the election of the Republican party

But if the voters wish to rebuke the highhanded methods by which the Russell Salary bill was defeated, and if they wish to curtail the power of the local Republican Machine to defeat salary bills that may be introduced in the future, they should seesessessessessessesses Elks and Kirkwoods Disvote the Democratic county ticket.

ACCORDING to Mr. Dobson's paper which pretends to speak for the Grand Opera House Republicans of Summit county, every Republican who criticizes the record of Republican officials, from Mr. Hanna down to the Probate Judge, is, if not "losing his mind," a "disappointed office seeker." Upon no other consideration whatever does this paper attempt to assign a motive to independent Republicans who protest against bossism and corpointed office seeker, seems to have ruption in their own party.
